Sklar — A 130-year heritage of surgical excellence

Sklar Corporation has been crafting surgical instruments in West Chester, Pennsylvania since 1882. Every instrument is forged from high-grade German stainless steel, finished by hand, and verified by Sklar's documented quality system before shipment.

51-point incoming inspection

Each component is checked against Sklar's quality standards before being approved for assembly.

6-point final inspection

Every assembled instrument is hand-checked against a final 6-point checklist before being shipped.
