Sklar — A 130-year heritage of surgical excellence

Sklar Corporation has been crafting surgical instruments in West Chester, Pennsylvania since 1882. Every instrument is forged from high-grade German stainless steel, finished by hand, and verified by Sklar's documented quality system before shipment.

51-point incoming inspection

Each component is checked against Sklar's quality standards before being approved for assembly.

6-point final inspection

Every assembled instrument is hand-checked against a final 6-point checklist before being shipped.

DE

German stainless steel

Surgical-grade material on OR Quality and Sklarlite™ lines. Hand-finished to exacting tolerances.

130+ years heritage

Crafting surgical instruments since 1882. Trusted by U.S. hospitals, surgery centers, and clinics.
